RESORT

Feel the magic in every corner and admire the beauty of Guachochi at ***Mountain View Resort***

GUACHOCHI, CHIHUAHUA

Mountain View

RESORT

We have 5 different cabins to offer, each with an unique style, design, and exclusive architecture; tailored for unique experiences adjusted to your group or traveling style.

An unique experience on luxury cabins

Located within the Magical Town of Guachochi, Chihuahua. In one of the most majestic sceneries in the Sierra Tarahumara.

Our cabins have all of the necessary amenities and equipment for a pleasant and unique stay.

GUACHOCHI

Its magic

Surrounded by cliffs and canyons of great beauty we can find Guachochi, the **lovely Magic Town** of Chihuahua.

One of the marvels you will experience upon visiting this Magic Town is the **lago de las Garzas (heron lake)**, a beautifu fresh spring former by the waters of the Guachochi River. Its perimeter is surrounded by a walkway and its center holds a bronze sculpture of the birds that live here.

It’s no coincidence that the name of Guachochi comes from the raramuri expression ***“place of the herons”.***

The motive

Guachochi is one a kind, it dazzles for its beauty and unparalleled landscapes, with a natural lake and a waterfall in its center.

The “El Salto” waterfall, 17 meters tall, surrounded by tall pine trees, with a picturesque red bridge that takes you directly to the lookout. A must-see attraction, with zip lines for those who want an adventurous experience.

Its recreational ecopark is an contribution to Chihuahua's ecosystem.

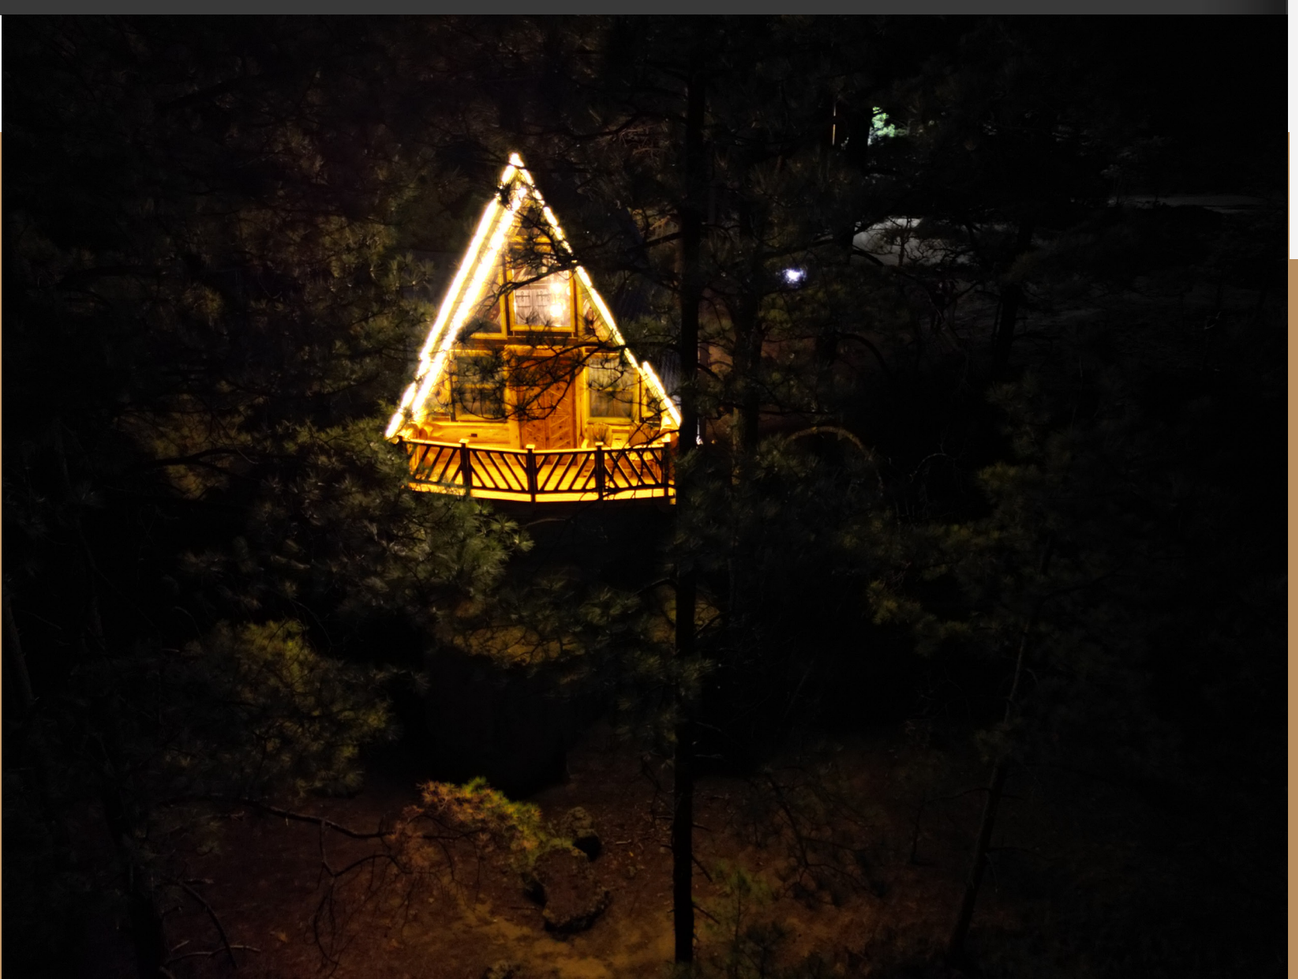

Take a tour around Guachochi’s natural sites: **Dividisadero, Sinforosa, Kokoyome Eco Park, Cañón del Jaguar, Pinabetes, Lago Las Truchas and Werachi.**

RESORT

Resort

Our exclusive lodge features magnificent **vegetation areas**, with beautiful tall pines that characterize the **nature of Guachochi**. A **private** space experience the tranquility of the sierra surrounded by your loved ones. Besides, we also have a dam for **fishing or boat tripping**.

The green areas that host our resort are special for those who are looking for an experience of greater **contact with nature.**

Located just **5 minutes away** from town, with an easy and quick access.

The cabins are located at the **heart of Mountan View**, surrounded by a natural landscape that amazes with is beauty.

On top of that, **spring water** is available throughout the resort.

Cabins

Each cabin at ***Mountain View Resort*** converges perfectly with the natural landscapes that surround them, turning each cabin into a spectacular detail to the **natural scenery**.

Let yourself be amazed by the **unique beauty, style, and architecture of each one of them**; designed with details and a touch that give each one its own ***"personality"*** .

Each location has been carefully selected to ensure you get the best views during your stay and each cabin is located away from each other to give you more privacy.

Live the beauty of Mountain View Resort!
